

The Crossfield Pump Track is Officially Open!

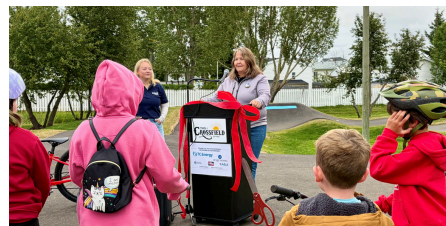

On Saturday, September 12, residents gathered for a community celebration to mark the opening of Crossfield's newest recreational facility. The event brought people together to celebrate a project that began with a simple idea from local residents and grew into a new space for people of all ages to get active, have fun and enjoy the outdoors.

The Grand Opening featured a ribbon cutting ceremony and a ceremonial first ride by Mayor Harris, Councillor Cosh and Councillor Brennan. Residents also enjoyed an exciting demonstration from Unreal Indoor Bike Park, whose riders showed off the tricks and skills that can be enjoyed on a pump track.

For Mayor Harris and Council, the project represents more than a new recreational facility. It is an investment in the future of Crossfield and in the kinds of spaces that help bring a growing community together.

As Crossfield continues to grow, the Town is looking at not only what the community needs today, but what residents want Crossfield to become in the years ahead. The Crossfield Pump Track is one of those investments - a place where residents can be active, connect with others and enjoy the outdoors.

Thank you to everyone who helped bring this project to life. We look forward to seeing Crossfield residents of all ages making the most of the new pump track for years to come!

TIPP

Tax Installment Payment Plan

**The convenient way to pay
your property taxes!**

**The program runs January to December,
but property owners may sign up at any time
Sign up information is below.**

The Tax Installment Payment Plan divides your annual property taxes into monthly sums that are automatically withdrawn from your bank account. There are no fees or interest charged when enrolling in the TIPP program.

How TIPP Works:

- Payments will be withdrawn from your bank account on the first day of the month. If the first day of the month is not a regular business day, the payment will be withdrawn on the following business day.
- The plan runs from January to December.
- Payments are recalculated in January and July of each year.
- The first six (6) payments are based on the previous year's taxes levied. The payment amount for the last six (6) months of the year will change due to an increase or decrease to the annual levy.
- Participants will be notified of the new installment amount in the annual taxation notice which is sent in May every year.
- The Town does not charge for this service, however, normal bank service fees may apply.

FIRE PREVENTION WEEK: CHARGE INTO FIRE SAFETY

This year Fire Prevention Week runs from October 4-10, and the theme is Charge into Fire Safety: Safe Charging is a Superpower.

Here are some tips to make sure you are charging your devices safely:

- **Cheap Charger? Don't Chance it.** Use the cord and charger that came with your device or ones approved by the manufacturer
- **Soft Surface? Hard Pass.** Charge on a hard, flat surfaces like a table or desk. Beds and couches can trap heat and blocks airflow which can cause a battery to overheat.
- **Feels Hot? Stop Using It.** Stop using your device right away if the battery gets hot, smells strange, changes in shape or colour, or makes popping noises.
- **Fully Charged? Time to Unplug.** Unplug your device when it is fully charged. Leaving it plugged in longer than needed can increase heat and stress on the battery.
- **For Tools and Rides Charge Outside.** Whenever possible, charge large items like e-bikes, e-scooters and power tools outside. Make sure to not block any exits while charging.

- **On a Flight? Keep it Insight.** When charging on a plane, keep portable charging devices on the tray table, not in the overhead compartment. Do not ever charge e-cigarettes or vapes on a plane.

Help us spread the word that everyday actions can help prevent lithium-ion battery fires.

BYLAW BRIEF

1. Fall Property & Yard Maintenance

Overhanging Branches: Trim trees and bushes away from sightlines near intersections, stop signs and public sidewalks/roadways. This is in reference to the Community Standards Bylaw.

Storage Requirements: Off season items (boats, RVs, utility trailers) parked on municipal streets must abide by the Traffic Bylaws. Please ensure you are not storing trailers or other vehicles on boulevards. This is illegal under the Traffic Bylaw.

2. Snow and Ice, The Start of Winter

The Alberta weather is very unpredictable and we may see snow this month.

- Please ensure vehicles are removed from the street for snow clearing routes. Signs will be posted prior to cleaning. If your vehicle is not moved, you will be ticketed and or towed.
- Keep public sidewalks cleared from snow and ice within 24 hours of the snowfall.

3. Crossfield Pump Track

With the official opening of the new pump track, youth now have a new amenity to enjoy. Please be mindful of the rules.

- E-bikes and E-scooters are NOT allowed on the track. These are motorized vehicles and not only will they wreck the track over time, but they also travel at high speeds and pose a risk to others on the track. Please leave these at home.

- The track is not monitored 24/7 and supervision of your children is highly recommended. We want it to be a safe space for everyone of all ages to enjoy. Please be respectful of everyone and ensure your kids are using it responsibly and following the rules.
- Helmets are required for all riders.

October Traffic Safety: School Zones & Fall Road Conditions

As October arrives, we experience shorter daylight hours, colder mornings, and increased morning traffic around the schools. Our Peace Officer is increasing patrols in school zones and other high traffic areas to ensure everyone is travelling safely and not putting others at risk.

Driving & Reduced Visibility Tips

October brings fog, glare, frost and early dusk. Small adjustments behind the wheel make a significant difference.

Tips: Slow down, use low beams, increase following distance, clear your vehicle of snow and frost, minimize distractions, and pull over safely when needed.

If you have a bylaw concern please email peaceofficer@crossfieldalberta.com
