

Community Recreation Funding

## Capital Assistance Grant

The Town of Crossfield has capital grant funding available to community organizations operating a district amenity providing recreational or cultural services that are open for the use and enjoyment of all Town of Crossfield residents. This grant funding must be used for capital purchases related to the repair and/or enhancement of existing facilities or the development of a new facility. Studies required for long-term planning resulting in capital funding investment, such as a Life Cycle Plan, are eligible under this program.

Capital Assistance Grants are based on a cost sharing program. The Board may approve up to 50% funding of the total capital project; however, this will be at the discretion of the District Recreation Board and Council for facilities located in the Town and County.

### Application Deadlines:

- March 15
- October 15

Completed applications will be reviewed by Town Staff and recommendations forwarded to the Recreation Board. Organizations are required to submit invoices for work completed to receive reimbursement.

It is the responsibility of the applicants to submit a complete application with clear and sufficient information. Incomplete applications will not proceed in the screening process. It should be noted that the grant process is competitive and applicants should submit the best application possible. Submission of an application does not guarantee the applicant will be awarded all or part of the grant requested and incomplete or unclear applications may be declined.
